July 20, 2020

Dear Parent(s) and Guardian(s),

The purpose of this letter is to communicate Moanalua Elementary School's reopening plan.

Thank you for completing the parent survey. The information we received through the parent survey helped to inform Moanalua Elementary School's reopening plan. Parents informed us of their high interest in 100% distance learning for their child. Therefore, we will provide this as an option for our families.

Please join us for a virtual informational session for parents and guardians on Thursday July 23, 2020 from 5:30 pm – 6:00 pm. The WebEx link for the virtual informational session will be available on our school website on Thursday morning at 10:00 am. We will provide an overview of the reopening plan. The session will include a description of the 100% distance learning option. All interested families must "opt-in" by Monday, July 27, 2020.

Thank you in advance for your continued support, patience and understanding. With our continued culture of care, compassion, resiliency, teamwork and "Living Aloha" our children will have another amazing school year of learning and growing.

Sincerely,

A handwritten signature in cursive script that reads "Lynda Galera".
