ABOUT THE EVENT

The **MES Fitness Fun Week** is an all-school event to promote health and fitness while raising funds to update and maintain the school's technology. This year's event will take place from March 29 to April 1.

We have prepared a Fitness Fun Activity video that students will do with their class. Students that are enrolled in 100% Distance Learning can participate at home. (See section for Distance Learners)

Students will collect pledges via **Boosterthon** for participating in the Fitness Fun Week activities. Help us meet our **\$24,000 goal**. That's just \$37.00 per student!

This event is voluntary, however, we encourage all students to participate. Please sign your **Permission Form by March 25**. This will ensure that your child is able to participate in the Fitness Fun activities and is eligible for prizes.

PLEDGING VIA BOOSTERTHON

- Distribute the unique personal link you get when you register at Boosterthon.
- Contact loved ones and email them your unique personal link to make a donation to support you.
